

FASD DIAGNOSIS AND SUPPORT

OCTOBER 17, 2018

10:00 – 11:30

This session will go over what the assessment process looks like. This will include the referral process, what actually happens during the assessment and who is involved, wait times and what you can expect during the assessment (in the Edmonton area). We will look at how you can connect and get more information about assessments in your area by contacting the network coordinator in your area. The presentation will end by going over support services available as well as basic strategies that you can take into consideration when working with individuals living with FASD.

Learning Objectives

1. Learn about the Provincial Service Networks in Alberta and who you can contact
2. What the assessment process might look like in your area
3. Guidelines for working with individuals with FASD and how to help them be successful
