

# CDC CORNER WITH THE TB PROGRAM

OCTOBER 25, 2018  
1300- 1400

This CDC quarterly session will be hosted by the FNIHB TB Program (Andrea Warman, the TB Coordinator and Deana Nahachewsky, the TB Screening and Education Nurse). Most of the hour will be open discussion time for nurses to talk to and/or ask questions of Deana and Andrea and/or fellow nurses on the call.

Andrea and Deana will use a small portion at the beginning of the hour to talk about/review:

- 1) New homecare referral form,
- 2) Updated TB medical condition screening algorithms,
- 3) Review a new LTBI medication start checklist.

The rest of the time the floor will be open to discuss anything nurses want that is TB related. Please join us!
