

BUILDING COMMUNITIES OF CARE: SUPPORTING CONTINUING CARE IN INDIGENOUS COMMUNITIES

NOVEMBER 7 13:30 – 14:30

This session will be jointly presented with Alberta Health and Alberta Health Services. Join us on November 7 to discuss how both organizations are supporting continuing care within Indigenous communities in Alberta.

LEARNING OUTCOMES:

1. To learn how Alberta Health (AH) and Alberta Health Services (AHS) are working together to support community engagement and relationship building.
2. To understand how AH and AHS can support Indigenous communities/organizations to determine the continuing care needs of their community/population.
3. To learn about the GoA's new *Building Communities of Care* program including the two funding components specifically for Indigenous communities.

Presented By: Please see the next page for a full detailed list of the presenters
