

WILL POWER- PLANNING FOR FAMILIES WITH A FAMILY MEMBER WHO HAS SCHIZOPHRENIA

**FEBRUARY 12, 2019
10:00 – 11:00**

We will have an interactive session to discuss having a will, power of attorney and personal directive with particular attention on documents that can be drafted for the family member with schizophrenia and documents that should be drafted for the caregiver, guardian or parent of the person with schizophrenia.

Learning Outcomes

- What should generally be included in a personal directive and enduring power of attorney
- Discuss the kinds of trusts that should be included in a will to provide for persons diagnosed with schizophrenia
- For high functioning adults we will discuss what documents the person should do for themselves

Presented By: Doris Bonora, Barrister and Solicitor, Partner Dentons Canada LLP Canada Group Leader for Wills Estates and Trusts

Live stream and audio lines will be made available for those who cannot attend via videoconference
