

HARM REDUCTION SERIES

SAFEWORKS SUPERVISED CONSUMPTION SERVICES

MAY 23, 2019
10:00 AM – 11:30 AM

Learning Outcomes:

- Update on drug trends and emerging issues
- Harm reduction principles
- Harm reduction in our community: Operationalizing Safeworks Supervised Consumption Services
- Supervised Consumption by the numbers (data, services, referrals from Oct 2017-present)

Speaker Info:

Cariann M. Dunn BA, BScN, RN

Clinical Instructor, Safeworks Harm Reduction Program, Alberta Health Services
"Cariann Dunn is a Registered Nurse and the Clinical Instructor for Safeworks. Throughout her career, she has been drawn to working with vulnerable and often stigmatized populations. She believes health care workers have an ethical responsibility to provide evidence-based, compassionate care to everyone, including those suffering from addiction."

Raven Sinclair – Addiction Studies Aboriginal Focus. Peer Support Worker, Safeworks Supervised Consumption Service, Alberta Health Services

"Raven Sinclair completed her diploma in Addiction Studies – Aboriginal Focus in April 2019. She is currently working at the Safeworks Supervised Consumption Service as a Peer Support Worker, bringing her lived experience of addiction, homelessness, as an indigenous woman."

Session 5 in the Harm Reduction Series

This series is supported through a partnership between the First Nations Telehealth Network, Indigenous Services Canada's First Nations and Inuit health branch, and Alberta Health Services

Live stream and audio lines will be made available for those who cannot attend via videoconference

All previous sessions in the Harm Reduction Series have been recorded and are available to view on the First Nations Telehealth Network
