Measles: Current Alberta Situation, Case & Contact Investigation Training, Vaccine Updates

August 6, 2025
10:00-11:30am MT

This session will review the current measles situation in Alberta, including current status in First Nations. We will walk through measles cases and contact investigation, and the resources to utilize to support this work. We will also review measles containing vaccines and indications for use where measles is circulating.

Learning Outcomes:
- Understanding of current measles situation in Alberta
- Increased understanding of measles contact tracing, including steps for offering IMIG
- Increased understanding of measles case investigation, including interpreting lab results, isolation, identifying exposure source, identifying potential close contacts
- Increased understanding of measles vaccine priority

Speakers:
Laura Mah, RN ISC CDC Assistant Nurse Manager

Melissa Evans, ISC CDC Nurse

Target Audience: Community Health Nurses and other health professionals involved in measles case and contact management and measles immunization.
