

BABY FEEDING TIMELINE GAME OVERVIEW

AUGUST 16, 2018
10:00 – 11:00

Join us for a brief session on infant feeding and an introduction to the Baby Feeding Timeline Game. This resource was developed by Meadow Lake Tribal Council in Saskatchewan and copies were shared with FNIHB-AB Region. These will be sent out to communities in July (one copy per community)!

Please join us for this session to learn about the game, how to use it, and how it complements the messaging in the First Solid Foods for First Nations resource

This session will be recorded for further viewing on the First Nations Telehealth Network Portal.

More nutrition resources can be found on Nutrition Series Page on the First Nations Telehealth Portal
www.firstnationsth.ca

This session will be presented by the FNIHB Nutrition team

Any available handouts and documents will be made available on the First Nations Telehealth Portal prior to the session date
