

A Brief Overview of the Virtual Opioid Dependency Program (VODP)

June 4, 2024

9:00-11:00am MST

This overview will cover what opioid use disorder (OUD) is, what opioid agonist treatment (OAT) is, what services VODP offers, how VODP treats OUD with both medications and psychosocial supports. It will also touch on the process for developing partnerships with indigenous communities across Alberta.

Learning Outcomes:

- Participants will have a good understanding of what opioid use disorder is (OUD)
- Participants will have a good understanding of what opioid agonist treatment (OAT) is
- Participants will have a good understanding of what services are offered through VODP
- Participants will become familiar with the process needed to develop a partnership with VODP

Speakers:

Kelly Smith, Manager with VODP, Alberta Health Services, who currently focuses on developing partnerships with different organizations, agencies, and indigenous communities

Target Audience: Anyone working with clients or with organizations that support/treat people with OUD
