

Strengthening Indigenous Governance and Economic Capacity: Advisory Support for Community-Led Development

May 28, 2026

10:00-11:30am MT

This session will introduce the work of Catalyste+ and how it supports Indigenous communities through advisory services, mentorship, and capacity-building. Participants will learn how community-driven priorities can be translated into practical projects in areas such as economic development, governance, entrepreneurship, and workforce readiness.

Learning Outcomes:

- Understand how advisory and mentorship models can strengthen community capacity and local economies
- Identify practical ways to access technical expertise aligned with community priorities
- Explore examples of Indigenous-led economic development supported through Catalyste+
- Recognize how partnerships can support long-term resilience and self-determination

Speakers:

Bethany Williams - Indigenous & Northern Services, Catalyste+

Esu Oyunbaatar - Indigenous & Northern Services, Catalyste+

Andre Xavier - Senior Manager, Natural Resources Management & Sustainable Development, Indigenous & Northern Services, Catalyste+

Target Audience: Community Health Representatives, Health staff interested in social determinants of health; Indigenous community leaders & Economic development officers; Program coordinators & services providers supporting community wellbeing; Anyone interested in strengthening local economic opportunities & capacity
