

What's New in CARE: Practical Updates to Support Your Day-to-Day Work

May 22, 2026

10:00-11:30am MT

Join us for a practical walk-through of the latest CARE updates released on May 1, 2026. We'll show what has changed, demonstrate new features, and discuss real-life examples of how these updates can support your daily work in CARE.

Learning Outcomes:

- Community staff with CARE accounts will learn how to navigate and use the latest CARE features and enhancements

Speakers:

Beth Woytas, RN, CIPP/C - Beth is the Managing Director of Digital Health at OKAKI, where she oversees the ongoing development, implementation, and evolution of digital health applications. She has worked alongside First Nations communities for the past 10 years, supporting digital health initiatives that reflect community needs and care delivery realities

Target Audience: CARE users who want to better understand the latest updates, features, and enhancements available in CARE
